# MEET THE TEAM

## Amanda Cannell

With over 20 years in the hospitality industry, I've built my career around creating experiences that make people feel truly special. Whether it's an intimate gathering of friends, a milestone celebration, or a themed party filled with personality, I love bringing thoughtful details to life that guests will remember long after the event ends. Alongside my passion for hosting, I have decades of experience working with children and find so much joy in designing fun-filled, creative celebrations made just for them. For me, every event is an opportunity to connect, celebrate, and craft meaningful memories that last.

## Megan Kiernan

With five years of marketing experience, creativity has always been my driving force. I love bringing ideas to life through content creation and finding beauty in the moments that deserve to be celebrated. That passion led me into the world of events, where I get to create meaningful, one-of-a-kind experiences that people will remember long after the day is done.
